RE:

2011/12 Budget

Enclosed is the requested 2011/12 budget information for the Human Resources Department. This includes: a Summary of Accomplishments; Departmental Budget Request; Budget Allocation Explanation; and Goals and Objectives for 2011/12.

## Human Resources Department Accomplishments 2009/2010

#### **Employment**

Calendar year 2010 continued to be very busy from an employment perspective. The Human Resources Department conducted  $\underline{11}$  civil services exams,  $\underline{95}$  employment interviews, hired  $\underline{30}$  new employees, and processed  $\underline{32}$  promotions and  $\underline{0}$  transfers. A breakdown of the hiring activity is as follows:

1	Electric/Electronic Technician	1	B&O Tax Auditor
3	Truck Driver	12	Probationary Police Officers
5	Utility Workers	1	Civilian Intake Coordinator
1	Parking Meter Specialist	1	Probationary Firefighter
1	Fiscal Clerk	1	Parking Meter Officer
1	Equipment Mechanic	1	Code Enforcement Officer I
1	Maintenance Worker		

Various other position vacancies are now in different phases of the hiring process. They include:

- 2 Maintenance Workers
- 2 Probationary Police Officer
- 1 Human Resources Director
- 1 Utility Worker

#### **Labor Relations**

The Human Resources Director worked with the City Manager, City Solicitor, Public Works Director, Chief of Police, Fire Chief. Finance Director, Economic & Community Development Director, WPCD Superintendent, Water Superintendent, Vehicle Maintenance Supervisor, and Solid Waste Supervisor in handling and resolving a number of employee related issues and legal matters. The HR Director also worked with department heads and supervisors providing guidance in reference to disciplinary issues, absenteeism, sick leave, military leave, FMLA, workers compensation, safety and restricted/light duty work administration. The Administrative Assistant served as secretary for the municipal, police and fire civil service commissions and attended 15 commission meetings along with the HR Director.

#### Benefits

The City renewed the medial insurance with the Health Plan for July 2010. The rates came in lower than expected allowing the City to keep the rates nearly the same for the third year in a row. In regard to the previous health insurance through Carelink and the HRA. \$120,767.81 was refunded

#### Page 2

to the City which was deposited into the HRA account in the Finance Department. Because the retirees funded the HRA on their own, \$3,297.32 was refunded to them. This leaves \$118,729.14 to be used toward the cost of the health insurance for fiscal year 2011/12.

#### Safety and Health

Safety Coordinator John Habak resigned on 6/30/10. As of July 1, 2010 the City contracted with FDR Safety. This company performs inspections, auditing, training, and advisory services for the City with respect to matters relating to safety and health. So far, FDR has conducted 14 meetings with mostly municipal employees. Additional meetings for police and fire will be conducted in 2011.

The Human Resources Director worked closely with Comp Services, the City's workers' comp third party administrator, to closely administer all open City of Wheeling workers' compensation claims to assure that injured employees received appropriate and timely treatment and that all unnecessary expenses were eliminated. A major emphasis continues to be placed on bringing injured employees back to work on light/restricted duty where possible and when approved by the physician. This practice keeps the injured employee productive, assists the departments in getting things done and saves on the City's workers compensation expenses.

#### Other

The Human Resources Director also contracted with File at your Fingertips to scan many of the retiree files in the vault - creating more space and allowing easier access to the retiree files.

# Human Resources Department Goals / Objectives for 2011/12

- 1. Complete the revisions and issue updated employee handbooks to all employees. This project is 50% complete.
- 2 Continue the cross-functional sedentary return to work program for injured employees and expand the type of work available for this purpose.
- 3. Meet with Department Heads and Supervisors to review the Employee Handbook. Additional education is necessary for the supervisors to implement the rules and policies already in place. This will help ensure consistency throughout the various departments.
- 4. Work with File at your Fingertips to continue scanning former employees and workers' compensation.
- 5. Outsource COBRA preferably through Wesbanco. The set up fee is minimal and the City is charged by usage and not by total number of employees.
